

Guardiões da Saúde

```
graph TD; GS[Guardiões da Saúde] --> API[API]; API --> Data[Data]; API --> Reports[Reports];
```

The diagram illustrates a hierarchical folder structure. At the top level is a folder named 'Guardiões da Saúde'. Inside this folder is a sub-folder named 'API'. Within the 'API' folder, there are two sub-folders: 'Data' and 'Reports'. Each folder is represented by a yellow rectangle with a tab on the top right corner. The 'API' folder is larger and contains the 'Data' and 'Reports' folders. The 'Data' and 'Reports' folders are smaller and are positioned side-by-side within the 'API' folder.
